16 August 1961

MEMORANDUM FOR: TALENT Security Officer, CIA

SUBJECT: Special TALENT Control Areas

1. We have been experiencing considerable difficulty recently in delivering materials to the following officials in the new administration:

Dr. Wiessner, Scientific Advisor to the President,
Room 200 EOB

Mr. McGeorge Bundy, Advisor to the President on National
Security, White House

Gen. Maxwell Taylor, Military Advisor to the President,
Room 302A EOB

Mr. Tom Parrott, Assistant to General Taylor, Room 302A
EOB

Mr. P. Coyne, Exec. Secretary of President's Board of
Foreign Intelligence Advisors, Room 297 EOB

2. Only Mr. Coyne's area is an approved control center and he has recently flatly refused to act as control officer for the other personnel listed above. We have repeatedly requested that you take steps to authorize each of these to control and retain [redacted] documents. [redacted]

3. It is imperative that you provide the Chief, DMD/NPIC, by the COB 17 August 1961, a statement as to where delivery of these multiple codeword type of materials are authorized and who has agreed to control same. Included should be a listing of all personnel in these offices authorized to receive these materials and the clearances each possesses. Any subsequent changes are to be relayed immediately to the Chief, DMD.
